

A Citizens Bank Tools for School Partner

Recycling for RI Education 2008 Open House Series

We invite you and your program staff to explore a unique educational materials resource that will benefit your programs

Wednesdays: 4:00 – 5:00

Dates: May 7, 14, 21, 28

Place: Recycling for RI Education

(Located on Spooner Street just before 1237 Elmwood Avenue)

Our gift **10-pound free shop** same day

Sample of materials include markers, pens, felt, fabric, foam, Mylar used for creative teaching and learning

Since 1992 Recycling for RI Education has supported youth programs with tons of **valuable donated materials from businesses**. A visit to the Recycle Center will convince you that your program will benefit from a wealth of valuable but inexpensive hands-on creative supplies.

Ways in which members take advantage of our minimal cost goods and services.

- Shop for materials that are at 95% less than retail.
- Visit the Resource Center filled with ready-made kits.
- Hold your staff meeting at the Recycle Center and end it with a fun shop.
- Look for future workshops for teachers and students.

Kindly RSVP for planning purposes (Space is limited)
